Subject: Past Costs

----- Message Contents -----

Pete/Beth,

Cost Recovery had decided not to bill the Carrier Corporation for oversight costs for the past fiscal year, but instead to issue a Cost Recovery Agreement for all unpaid cost up to the date of the UAO. Cost beyond the date of the UAO will be considered "additional costs." Please contact me if you have any concerns.

I need from either of you a signed copy of the UAO that you issued. No copy is available in the Record Center.

Ray Strickland
